

Mission:

Our pupils and all members of our school community encompass, celebrate and live our values by:

Journeying together, The St Paul's Way.

Our Vision

An exceptional community where acceptance, compassion and diversity is valued. We will encourage and inspire our children to serve God for the good of all, to excel in their learning and be resilient and caring. Our community will recognise, celebrate and protect God's gift of the world through the provision of a creative, relevant and ambitious curriculum which enables our children to be confident and prepared for modern life.

Our Values:

Respect, Friendship, Perseverance, Honesty, Caring, Thankfulness and Confidence which are rooted in the Gospels of Jesus Christ and we support and encourage those values which form our modern British Society – Democracy, Rule of Law, Individual liberty, mutual respect and tolerance (value) of those of different faiths and beliefs.

Governors Curriculum Statement

We provide our pupils with the knowledge and skills as directed by the National Curriculum and enhanced by Catholic Social Teaching and Religious Education as directed by the Catholic Bishops of England and Wales. These approaches create an awareness and appreciation of God's gift of the wider world, human creativity and personal achievement. Together with our values, this ensures every child excels in their learning, is prepared for life in Britain and able to take their place in our modern world.
