

St Paul's Catholic Primary School

Health & Safety with First Aid Policy Statement 2024-2025

This policy is produced in respect of **St Paul's Catholic Primary School** only and is supplemental to the South Gloucestershire Council Local Authority Health and Safety Policy Statement **and with the model policy from our competent advisor – DS Services**

Statement of Policy

The school considers the health, safety and welfare of staff and pupils to be important, and achieving a safe and healthy working environment essential to the school's goal to promote excellence in teaching and learning.

It is the policy of **St Paul's Catholic Primary School** to ensure, so far as is reasonably practicable, the health, safety and welfare of its employees whilst they are at work, as well as others who may be affected by the school's undertakings, including pupils, and to comply with the Health and Safety at Work etc. Act 1974 and other relevant legislation.

The school recognises its responsibility to promote a culture where H&S issues are discussed in an open and positive way to achieve improved standards and safe methods of work.

People with specific responsibilities for H&S are identified in Part 2 of this policy and the arrangements implemented to meet the above requirements are as detailed in Part 3 of this policy.
